the matter receives consideration in regard to both quarters. as the liens are registered on the Titles to both of the quarters mentioned. the NW¼ 2-15-2-4. and the NE¼ 2-15-2-4. not just the NE¼

I would like to have a reply. and be informed if the liens will be substituted from the Titles to both quarters as it would be unfair if we have the liens registered against the Title to one of the quarters after they are paid

Dear Sir:

We have received your Board Order No. 11,241 concerning the Joint Relief Advances of Anton Teierle charged against the above land. Apparently you have received the sum of $300.00 to settle the Joint Relief Advances and the Agricultural Relief Advances made to Mr. Teierle and the amount of $127.06 has been credited to the Joint account.

We did not receive our share of this payment with your Board Order and it would be appreciated if you would advise us how soon this payment may be expected. Agricultural Relief Advances

The following advances were obtained by the above named debtors for which liens have been registered on the titles to the lands shown above.

Anton Teierle	Joint Relief Advances
April 6,1925	$180.15
February 17,1926	45.40
April 22nd 1922	15.60
	241.15
Interest to March 31st,1934	357.70
	598.85
Paid June 4th,1928	114.09
	484.76

This debtor also obtained Agricultural Relief Advances in the years 1936 to 1939 inclusive and the sum of Three hundred and eighty-three dollars and thirty-four cents ($383.34) is presently outstanding and includes interest.

The Agricultural Relief Advances account of Carl Teierle also obtained in the years 1936 to 1939 is outstanding in the amount of Two hundred and one dollars and twenty-seven cents ($201.27) including interest.

Carl Teierle has made application for a compromise settlement of these accounts and has tendered a payment of Three hundred dollars ($300.00) as settlement in full and discharge of the relative liens.

Cont'd p. 2.

Anton Teierle is Carl's father and due to his advanced age he quit farming a number of years ago and turned over his titles to the E½ of 2 to his son. He is now 76 years of age, resides with his son, is in a very feeble condition and requires constant care and attention. He has no assets.

Carl Teierle is married and has two children. For the past number of years he has been farming on the E½ of 2, the other lands were only leased from the Department and since 1946 have been disposed of to other residents. The assessed value of the half section is One thousand one hundred and sixty dollars ($1,160.00). His farm machinery is of the old horse drawn type and the farm buildings are in a dilapidated condition. Operating under such conditions he is barely making ends meet and I consider that the offer received is worthy of favorable consideration and should be accepted.

It is therefore my recommendation that after taking into consideration former payments totalling One hundred and fourteen dollars and nine cents ($114.09) made on account of Joint Relief Advances that an amount sufficient to cover the principal of these advances be applied to that account and the balance be applied pro-rata to both Agricultural Relief Advances accounts.

On this basis the allocation of the monies will be:

Anton Teierle, Joint Relief Advances	$127.06
Anton Teierle, Agricultural Relief Advances	113.40
Carl Teierle " " "	59.54
	300.00

After providing for application in accordance with this schedule all relative liens to be discharged.

Provincial Seed Grain Advances in the principal amount of Two hundred and nineteen dollars and twenty-one cents ($219.21) together with accrued interest have already been cancelled.

Yours truly,

CHIEF COLLECTOR

Dear Sir:

Re: NE 2-1--2-W.4th.

Mr. Carl Teierle has forwarded to this office your letter in claim of the 8th instant and also inquires regarding the further demand which would be indicated in your letter for settlement of a Federal account.

In the course of negotiations with this party a Historical Abstract of Title from the Land Titles Office, Calgary, was obtained and this carefully checked with respect to liens outstanding.

I am attaching hereto a copy of this document for your information. You will kindly note that in the schedule set out in my recommendation of September 21st there are three items appearing under the heading of Joint Relief Advances but the Abstract of Title shows registration of only the second item of $45.40. It is further noted that patent was not issued to Anton Teierle until October 16, 1939. Again referring to the schedule as taken from the Red Book I would like to suggest that the first item of $180.15 may be for the same account that your statement lists as $121.85.

I am informed by my precedessor, Mr. French, that where the land was held under homestead entry and the province could not register a lien for Joint Relief Advances this action was taken by the Authorities at Ottawa to secure the account.

If upon further examination of your records the above assumption is found correct and the amount involved has already been dealt with under Board Order No. 11,241, I would ask that you kindly adjust your records and advise this office accordingly. This information at your earliest convenience will be appreciated.

RE: N.E. 2-15-2-W.4th

Dear Sir:

We wish to thank you for your letter of the 23rd of December, 1954, concerning the Federal account of Anton Teierle charged against the above land. You were also good enough to enclose a copy of a recent Abstract of Title.

Prior to the transfer of Natural Resources to the Provinces whenever patent was issued, we registered our Dominion liens against the title. However, after the transfer was completed the Government of the Province of Alberta did not advise us in each case when patent was being issued. Unfortunately, this has resulted in a number of our Dominion liens not being registered.

The copy of your Abstract of Title shows that our lien for $171.85 was not registered when patent was issued to Anton Teierle in 1935 and the title has now passed to his son, Carl Teierle, free of any Dominion liens. Under the circumstances we believe that the only course the Seed Grain Advisory Board can take is to recommend the cancellation of our claim without the requirement of any payment.

We are preparing the necessary Board Order here and when authority has been obtained to write off our account you will be further advised.

Yours very truly,

G.K. LeCapelain,
Chief, Lands Division.

Re: Account of Anton Teierle
N.E. 2-15-2-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1920 seed grain amounting to $171.85 was advanced to Anton Teierle on the security of the above mentioned land. Payments of $100.00 and $50.00 were received in 1928 and 1929, respectively, and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$127.10	$221.69	$348.79

Patent was issued in the name of Anton Teierle for the N.E. 2-15-2-W.4th on the 16th of October, 1935, and there is no record of the lien having ever been registered against the land.

According to an Abstract of Title dated the 22nd of July, 1954, the land now stands in the name of a Mr. Charles Teierle, clear of any Federal encumbrance.

As the lien was never registered against the land and there is no further security for our advance, it is recommended that the balance of the indebtedness be cancelled.

Donnybrook, A. . 7/2/1934.

Dominion Lands Office,
Medicine Hat, Alta., Can.

Gentlemen:-

I have received the Declaration of Ulysses S.G. Luther in the matter of Forest Homestead Entry in Canada.

I simply wish to add that I am acting for Mr. Luther in the matter of the cattle taken under Writ of Seizure in the Declaration and know all of the circumstances. Mr. Luther purchased these cattle from the Administrator of the Estate and paid the cash for same, to take them to his homestead. While proceeding to load his car, these cattle were taken on the Writ mentioned with the return of a mortgage given by Intestate of the estate. The Court is now in session and the matter will be adjudicated this month or the early part of August, and there is no question but that Mr. Luther will get cattle.

I am only conversant with the other circumstances by hear say but believe them all to be true.

If the Department desire, or it will aid Mr. Luther in any way, I shall be pleased to make a sworn declaration to the above effect.

Trusting that the Department will see fit to grant Mr. Luther an extension of time, I am,

Yours very truly,

Ben E. Cumbe

Joint Relief Advance

The above party obtained a Joint Relief Advance of One hundred and twenty dollars ($120.00) on May 10th,1920, giving as security a lien on the title to the above land. One payment of ten dollars ($10.00) was made on February 2nd,1939 which was applied on interest and there is a balance outstanding of three hundred and sixty-nine dollars and forty-five cents ($369.45) including accrued interest to March 31st,1951.

The debtor is deceased having died in 1937 and prior to his death had executed a transfer of the above land in favour of his wife. At that time the family had no money to proceed and no action was taken until recently at which time the widow consulted solicitors with a view to settling the estate and registering the transfer to the land. The solicitors have now approached this office with a request for a compromised settlement of this old advance and have tendered in behalf of the widow the sum of one hundred dollars ($100.00) for a release of the lien.

The above land is assessed for one thousand eight hundred and seventy dollars ($1,870.00) for taxation purposes and is situated in a township which has been eligible for awards under the Prairie Farm Assistance Act 8 years out of the 9 for which awards have been granted. It was subject to a prior mortgage held by the Manufacturers Life Insurance Company. I am advised that this mortgage has been satisfied but have been unable to ascertain the amount paid thereunder, although in 1938 the Company advised there was a total owing under the mortgage of three thousand nine hundred and seventy-one dollars and twenty-five cents($3,971.25). In addition to the mortgage the Royal Bank of Canada held a later judgment for the sum of nine hundred dollars ($900.00) which was eventually settled for five hundred dollars ($500.00).

Animals quarantine reserve.

At the present time this Department is doing all in its power to make as much land available for settlement by returned soldiers as possible, and a check is being made of all lands which are held under reservation for any purpose.

It has recently been brought to my attention that Sections 2, 3, 4, 5 and 6 were set apart for the purpose inside and above by Order-in-Council dated the 7th March, 1910, and that the south half of Section 7 and Sections 9 and 10 were added to the reservation by an Order-in-Council dated the 17th November, 1913.

My object in now writing you is to ascertain whether your Department is desirous of maintaining this reservation or whether its usefulness has passed. If the latter is the case will you kindly let me know whether your Department would have any objection to these parcels being made available for settlement.

Yours very truly,

Lieut.-Col. W. W. Jarvis, D.S.O.,
Assistant Deputy Minister and Secretary,
Department of Agriculture,
Ottawa.

Dear Sir,

In the year of [illegible] sold Mrs Martha Dahl some lumber to erect buildings on her homestead, and up to the present time she has been unable to pay us for the material delivered to her at that time.

I called on Mrs Dahl in "edicine Hat on the 12th. inst, and she informed me that she had given up her homestead and let the land go back to the Government and that she had put in a claim of $[illegible] due her for improvements etc.

I asked her if she would be willing to give us an order on the payment for the amount of her account with us and, she said she would be willing to do so but would prefer to think the matter over for a short time before signing any order whatever.

In case the land has been re-filed on and you have received $[illegible].00 from the present Entrant for the improvements would you be willing to pay our claim against Mrs Martha Dahl providing we received an order from her on the Government for the amount due us.

She can not just remember the legal description of her homestead but she gave me the following description as being correct to the best of her knowledge. Being the S.E.¼ 4-8 W4th.

Trusting that we may receive a favorable reply from you in the near future.

I beg to acknowledge the receipt of your letter of the 14th ultimo and in reply to say the land above described has not been re-entered for since it was abandoned in the month of December, 1914, by Mrs. Martha Lahl; there was, therefore, nothing collected for improvements effected by Mrs. Lahl.

In view of the length of time this land has now lain idle it is difficult to say just when the same will be re-entered for. If you can obtain from Mrs. Lahl an order for the removal, prior to re-entry, of the buildings effected, the material for which you claim she received from you and for which payment has not yet been made, it may be found possible, under the circumstances, to favourably consider such an order.

Gentlemen,

I beg to acknowledge the receipt of your communication of the 24th ultimo, enclosing an order from Mrs. Martha Dahl, for $162.00, to cover the amount due your Firm from her, for building material furnished, and in reply to say that as re-entry has not been granted for this land to date, there are no funds at the disposal of the Department out of which such amount could be paid; however, when re-entry has been granted a Homestead Inspector's valuation of the improvements which are on the land at the date of re-entry will be secured, and the amount collected from the re-entrant.

I might state however, that if Mrs. Dahl, is indebted to the Department for Seed Grain, Fodder or Relief, such amount will be deducted from the amount collected for improvements, after which your application for a refund will receive due consideration.

Our Annual Statement addressed to this man at Cahern, Alta., has been returned by the Postal Authorities marked, "Removed."

The land given as security for the advance made in 1920, amounting to $71.62 with interest calculated to the 31st March last, has been cancelled.

According to your letter of the 26th October last addressed to Inspector Wilcox, it appears that the debtor was then residing between Spring Coulee and Magrath.

In view of those facts it would, therefore, be well to have the matter investigated this season, and a report should be furnished setting forth all available information in connection with any land of which he may be in possession.

Account - George C. Lee.

With reference to the seed grain, fodder and relief indebtedness charged against the land above described, on April 26th last, Mr. Lee wrote in from Spring Coulee stating that he would forward some money on account on receipt of his next cheque from the Wheat Pool, which he stated he expected would be in the month of June.

Mr. Lee has been communicated with under dates of May 4th, July 17th, and August 31st in connection with this matter. He has failed to in any way reply to my communications and he has also failed to make a payment on account. It will be appreciated if you will kindly arrange to visit this party, and I would suggest that you have him complete an order on the Wheat Pool. It might be as well to impress on him the fact that not only as a business courtesy should a reply be made, but that it is important so far as this indebtedness is concerned as the advances were made in the year 1915. The crop grown on the land is, therefore, liable to seizure.

Re: Account of George C. Lee
S.E. 4-4-8-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1920 seed grain amounting to $50.00 was advanced to George C. Lee on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 50.00	$ 112.82	$ 162.82

The S.E. 4-4-8-W4 was formerly the homestead entry of the debtor whose entry was cancelled on the 3rd of February 1926 and the land is still unalienated Crown Land held in the right of the Province.

In reply to our questionnaire of the 6th of September 1952, V.. Wood, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"This Department is in receipt of your letter dated the 6th instant having reference to a seed grain account which you have against the above land granted to George C. Lee in 1920.

Kindly be advised that this quarter comprises part of the land held under Grazing Lease No. 33773 by Arthur D. Lee of Atzikom, Alberta, whose lease expires on December 1st, 1958.

According to an inspector's report on file this land can only be considered suitable for grazing purposes and it is unlikely that it will ever be used for any other purpose."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advance. Under the circumstances it is recommended that the indebtedness be cancelled.

On March 9 7th I homesteaded & completed the South half of section 28, 15, 4, W 4.
& a few days later I secured the North half of the same section.
A few days ago I dug a well & got water on my property just across the line from my house on the homestead,

The reason I want to change is that in a few weeks I must commence my residence duties on my script, & then I will be nearly a half mile from my well & will consequently have to haul all my water for next winter. If you would let me change it without re filing on the

I have your letter of July 11th. According to the records of the Department this land is assessed to L.W. Hill, whose address is unknown, and to A. W. Frizzle (renter) Drawer 899, Medicine Hat.

There are some arrears of taxes outstanding against the land. If these are not paid caveat will be filed against the land under the provisions of the Tax Recovery Act.

Sir:

It will be noted that these lands are apparently the only lands now held by Leslie W. Hill in the above described section, - the S. E. ¼ being his unpatented land, and Title to S. W. ¼ standing in his name.

It will be noted that on 23rd May last you forwarded a report made by Homestead Inspector Bowyer, following which the matter was taken up with the Deputy Minister Of Municipal Affairs, who states that the land is assessed to L. W. Hill, his address being unknown, and to A. W. Frizzle, renter - Drawer 699, Medicine Hat.

I would, therefore, request that when you have an inspector in the vicinity of Medicine Hat, should you fail to get response from Mr. Frizzle to any communication addressed to him, that the present address of Mr. Hill be ascertained as Frizzle is apparently in the capacity of renter from Mr. Hill.

Re Seed, 2r-15-4-W.4

Sir:

In response to my letter of the 31st July last the Agent of Dominion Lands at Lethbridge submits a report from Homestead Inspector H. L. Bowyer, which I quote below for your information:-

> "I beg to report that I called on Mr. A. W. Frizzle, but he is unable to give Mr. Hill's present address, but he informs me Mr. Hill is the owner of a valuable half section of land near Indian Head, Sask., which is farmed by a tenant on shares. No doubt the Postmaster at Indian Head could give you his address."

Will you please arrange to have enquiries made through the proper channel so that Mr. Hill may be located, and induced to settle his Seed Grain account which, as you know, now amounts to nearly $600.00, failing which it might be well to consider the advisability of registering it against the half section mentioned by Mr. Bowyer, the exact location of which should of course be obtained.

Homestead patented,
3rd September, 1914.
S.E.¼ 28-15-4 W. 4th M.
Pre-emption.
Obtained entry, 24th March, 1910.
Entries - Leslie W. Hill.

This man in his application for patent showed the required residence and thirty acres of breaking, a reasonable proportion of which was cropped in two years; the last cropping was in 1912. Patent subsequently issued.

According to advice from the Royal Flying Corps, this man served with that unit from the 8th November, 1916, until the 13th November, 1919. He has therefore complied with the residence duties by virtue of his military service.

The Department has been endeavouring to get in touch with him both in connection with his pre-emption entry and Seed Grain indebtedness.

On the 25th April, 1923, Inspector Higg stated that the last heard from Mr. Hill was that he was at Indian Head, Saskatchewan, where he was farming. The land is not under cultivation.

On the 1st August, 1923, with interest to the 1st November, 1923, the standing of account was $ 649.02.

On the 29th August, 1923, Inspector Hamilton stated that the entrant was the owner of land in the vicinity of Indian Head but that it had been foreclosed by a Mortgage Company about two years ago. He then left the locality and has not been heard of since.

On the 15th June last, the standing of Seed Grain indebtedness was $ 489.99.

Inspector Bowyer in a report of the 12th May last stated:-

"Mr. Hill has deserted the farm for
"several years and is not expected to
